Hyundai to invest ₹20K cr in TN to expand EV production

To pump in the amount over 10 years, install EV charging stations in next 5 yrs

SHINE JACOB
Chennai, 11 May

Hyundai Motor India (HMI) on Thursday signed an agreement with Tamil Nadu to invest around ₹20,000 crore over 10 years for expanding electric vehicle (EV) production and in associated ecosystem. HMI, India's second largest car manufacturer, will set up a battery pack assembly unit with an annual capacity of 178,000 units. It will install 100 EV charging stations across the state in the next five years, according to the memorandum of understanding (MoU) the two sides signed.

MoU Exchange Ceremony Partnering For Sustainable Future

An MoU was exchanged between Unsoo Kim, MD and CEO, Hyundai Motor India and V Vishnu, MD & CEO, Guidance Tamil Nadu, in the presence of TN chief minister MK Stalin

PEDAL TO THE METAL

₹23,900 crore: Investment by the company so far in the state out of over \$5 bn in the country

15,000: Direct jobs created by the company

250,000: Indirect jobs created

₹2.73 trillion: Total investment in Tamil Nadu in last two years through 224 MoUs
2025: Target to shift to 100 per cent renewable energy usage

HMI's total exports in 2022 stood at 1,81,000 units, and these comprised only internal combustion engines (ICE). The company plans to increase exports to 3,19,000 units in 2023, converting the Sriperumbudur unit near Chennai as a regional export hub of ICE and EVs.

This is the second large investment for EV production that Tamil Nadu is attracting after announcing a new policy in February that offers incentives for manufacturers, customers and charging infrastructure providers.

"The MoU is part of a strong commitment to create sustainable future technology in Tamil Nadu. Hyundai will continue to work together to achieve our common goal of economic, social and sustainable development. We will be investing around ₹20,000 crore over a period of 10 years. The long-

term investment will help enhance our manufacturing capability and also increase our production volume in Sriperumbudur," said Unsoo Kim, HMI's managing director and chief executive officer.

The foundation stone for HMI's plant in Sriperumbudur was laid in December 1996 and its second factory there, with an investment of around ₹4,000 crore, came up in February 2008. The company had rolled out its 10

million cars from the unit in June 2021. The company has invested ₹23,900 crore in Tamil Nadu and provides employment to 15,000 people directly and another 250,000 indirectly, according to Chief Minister M.K. Stalin.

"Tamil Nadu is the leading producer of automobiles and components in India. As its next evolution, it is commendable that Tamil Nadu has emerged as the leading state in the production of electrical

vehicles. For this, Tamil Nadu's efficient human resources, world-class infrastructure, and the constructive actions of the Tamil Nadu government are the main reasons," Stalin said. He added that this will be a step forward towards the state's goal of becoming a \$1 trillion economy by 2030.

The Tamil Nadu investment is part of Hyundai's road map to become net zero carbon footprint by 2045. The Hyundai MoU comes after the US-based network gear maker Cisco announced its plans to set up a manufacturing plant in the state.

Thangam Thennarasu, who on Thursday took charge as Tamil Nadu's new finance minister, said that since the DMK government took charge in May 2021, the state has invited investments to the tune of around ₹2.73 trillion by signing 224 MoUs.

The incentives under the Tamil Nadu Electric Vehicles Policy 2023 for manufacturers include 100 per cent reimbursement of state goods and services tax, investment or turnover based subsidy and advanced chemistry cell subsidy. The state will provide a 100 per cent exemption on electricity tax for five years on power purchased from the Tamil Nadu Generation and Distribution Corporation, exemption on stamp duty and also subsidy on cost of land among others.

During the last five years, the state has seen projects with employment potential of 48,000 jobs in the EV value chain.

No question of filing for insolvency, baseless rumour: SpiceJet CMD

DEEPAK PATEL
New Delhi, 11 May

There is no question of SpiceJet initiating an insolvency process and such rumour is completely baseless, said the airline's chairman and managing director Ajay Singh on Thursday.

Aircraft — an aircraft lessor to SpiceJet — earlier this month filed a case at the National Company Law Tribunal (NCLT) seeking initiation of insolvency proceedings against the airline for non-payments of dues. SpiceJet has been making losses since FY19.

"We are focused firmly on reviving our grounded fleet and getting more and more planes back into the air. Work on this front

has already begun and the company is using the \$50 million ECLGS funds and our own cash," Singh said in a statement.

Go First airline on May 2 suspended its flights and started an insolvency process at the NCLT. The sudden exit of Go First, which was operating about 200 flights per day, has left a vacuum in the Indian aviation market. SpiceJet is looking to fill this vacuum by bringing its grounded planes back to service.

SpiceJet, which has been dealing with a cash crunch, had on May 3 said it is mobilising a plan to revive 25 grounded planes with the help of ECLGS loans and internal cash. SpiceJet has 82 aircraft in its fleet, out of which 31 are in "storage" and the remaining 41 are in service as on May 3, according

to aviation analytics firm Cirium's data. An aircraft that has not operated a single commercial flight in 30 days is considered to be in "storage".

Singh said: "There is absolutely no question of filing for insolvency. Any rumour regarding the same is completely baseless." "We have a great relationship with all our partners. Our lessors have supported us through thick and thin and continue to do so and we are grateful for their support and confidence."

SpiceJet said it wants to scotch any speculation that may have arisen "due to the filing by another airline" (Go First). SpiceJet said it is firmly focused on its business and remains in active talks with investors to raise funds.

Sanofi consumer brands get a shot in the arm on demerger decision

SOHINI DAS
Mumbai, 11 May

French drugmaker Sanofi, which has plans to demerge its consumer health care business in India from its pharmaceutical (pharma) business, has seen its consumer brands clock much faster growth. It has also renewed its focus on its diabetes business in India.

The consumer health business is set to demerge into its wholly-owned subsidiary, Sanofi Consumer Healthcare India. The subsidiary will include all assets and liabilities pertaining to the business, including brands like Allegra, Combiflam, DePURA, and Avil.

The market responded positively to the decision. The stock ended at ₹26,210 apiece, up 9 per cent on Thursday.

Sanofi marquee brands like Allegra grew 22.2 per cent (as of April) as regards the moving annual turnover (MAT) over last year, reveals data from market research firm Pharmarack AWACS.

MAT of 2022 grew nearly 24 per cent year-on-year (YoY). By comparison, Sanofi's popular long-acting insulin brand Lantus declined 71 per cent YoY as of April 2023 MAT. In 2022, it grew by only 3.1 per cent.

Centrum Broking (Centrum) said in February that Lantus sales were impacted after it was included in the revised National List of Essential Medicines, 2022. Lantus, currently priced at ₹794 (100 IU 3ml injection), comes at a premium over the average of similar brands priced at about ₹730. Centrum said this implies Sanofi would have to take at least an 8 per cent hit on its pricing of Lantus.

Other anti-diabetic brands like Cetapin and Amaryl, too, have registered slow growth in the past few years.

The company has renewed its focus on the diabetes franchise. "Sanofi's leading therapy of diabetes continued to do well, led by renewed marketing efforts nationally for Toujeo insulin

WELL OF WELLNESS

which is seeing better traction (new cartridge launched, 300 IU dosage)." Centrum observed in February.

Toujeo has been doing well too: from sales of about ₹22 crore as of April 2019 MAT, it scaled up to ₹87 crore in April 2023 MAT.

The company divested its anti-microbial brand Soframycin and anti-bacterial cream Sofradex, Sofracort (antibacterial eye and ear drops), and Soframycin-Tulle (antibacterial cream) for India and Sri Lanka markets to topical product manufacturer Encube Ethicals in November last year for ₹125 crore or so.

Sanofi India, said on Wednesday that the demerger was a "momentous opportunity" that would allow the company to unlock business potential in both pharmaceuticals and consumer health care.

The pharma business would focus on long-term success and expand its portfolio of 'life-changing' treatments, he said. The consumer health entity would be a fast-moving consumer health care business focused on digital and e-commerce.

Meanwhile, Sanofi's vaccine business has seen a decline in turnover, according to AWACS data, from ₹361 crore in April 2019 MAT to ₹287 crore in April 2023 MAT.

NOTICE

Transfer of Equity Shares of the Company to Investor Education and Protection Fund (IEPF) Authority

Notice is hereby given that pursuant to the provisions of Section 124 of the Companies Act, 2013 (the Act) read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 (the Rules), as amended, the Equity Shares of the Company (in respect of which the final dividend declared during the financial year 2015-16 has remained unclaimed or unpaid for a period of seven consecutive years or more) are required to be transferred by the Company to the demat account of the IEPF Authority.

The Company has sent individual notices to the registered addresses of the concerned shareholders whose shares are liable to be transferred to the IEPF Authority advising them to claim their unclaimed dividends. The Company has uploaded details of such shareholders on its website www.pidilite.com. The concerned shareholders are requested to refer to the said website to verify the details of unclaimed dividends and the shares which are liable to be transferred to the IEPF Authority.

Shareholders are requested to claim the final dividend declared during the financial year 2015-16 and onwards before the same is transferred to the IEPF.

The concerned shareholder(s) holding shares in physical form and whose shares are liable to be transferred to the IEPF Authority, may note that upon transfer of shares to IEPF Authority, the original share certificate(s) which are registered in their name will stand automatically cancelled and be deemed non-negotiable. In case of shares held in Demat Form, to the extent of shares liable to be transferred, shall be debited from the shareholders account.

In case the concerned shareholders do not claim their unclaimed dividends by 31st August, 2023, the Company shall with a view to comply with the Rules, transfer the shares to the IEPF Authority without any further notice to the shareholders and no liability shall lie against the Company in respect of the shares so transferred.

The shareholders may note that once the shares, including all benefits accruing on such shares, if any, are transferred to IEPF Authority, the same can be claimed only from the IEPF Authority by making a separate application to the IEPF Authority in Form IEPF-5 as prescribed under the Rules and the same is made available at IEPF website i.e. www.iepf.gov.in.

For any queries in respect of the above matter, shareholders may contact M/s TSR Consultants Pvt. Ltd., the Registrar & Transfer Agents of the Company at C-101, 1st Floor, 247 Park, Lal Bahadur Shastri Marg, Vikhroli (West), Mumbai - 400083; E-mail: csq-unit@tclplindia.co.in Website: <https://www.tclplindia.co.in> or contact the Company at investor.relations@pidilite.co.in.
